Here at Highdale we are aware of the importance of good hygiene in order to prevent the spread of infection and germs. Children learn about personal hygiene through our daily routine and various themes covered.

Children and staff are encouraged to wash their hands before meal times and after using the toilet or changing nappies.

Staff are required to wear disposable gloves when changing the children, or nappies.

Children and staff toilet are cleaned in conjunction with cleaning schedules.

Toys and equipment are cleaned on a regular basis.
